Echo 50FP

With unique and contemporary designs, the Moda Collection of home theater furniture strikes an ideal balance of aesthetics and functionality. Each piece in the collection – which includes everything from tables to wall furniture – is designed with ample space for components and cable management with an emphasis on high design. Designed to complement a minimalist's sense of style, the Echo 50FP provides a simple, unobstructed view to show off audio and video equipment while offering an innovative way to mount a flat panel where a wall installation is not preferred or possible.
Cables are neatly routed and concealed inside the supportive posts
