

VFX product information sheet

Product Specifications

Fits most: 42" - 70" flat panels

Supports up to: 200 lbs (90.7 kg)

Mounting profile: 0.75" (19mm)

Universal & VESA compliant: 100x200 to 400x800

Mounting: Double or triple-stud

UL Listed: Yes

Warranty: 5 years

Color: Black

Product Benefits

- Low 0.75" (19mm) mounting profile
- Steel construction for durability and strength
- Ideal for panels with bottom- or side-loading connectors
- Includes universal rails and spacers for greater panel compatibility
- Single wall plate allows for quick installation
- Small footprint provides ample room for power and A/V cutouts behind panel
- Lift n' Lock™ allows you to easily attach your flat panel to the mount
- Sliding lateral on-wall adjustment
- Locking system secures panel to mount
- Includes end caps for a clean side view
- Includes complete hardware kit

With a single wall plate, installing the VFX flat panel mount is quick and easy

Series

VFL

VFX

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. Recognizing the need for a promotionally oriented line of mounts, OmniMount has launched an entry-level, no-frills brand of mounts called VideoBasics™. The benefit to you? You get OmniMount's design and manufacturing expertise delivered in a low-cost mounting solution. VideoBasics™ fixed mounts are not only extremely low profile, they are the simplest install of any mount on the market today. The VFX is a perfect companion to extra large, ultra thin profile flat panels.
