

## Standard module CFM 105

### Specifications

- Max. weight: 45 kg / 99 lbs
- Depth: 460 mm
- Height: 312 mm
- Width: 750 mm
- Guarantee: 5 years

The basic module (CFM 105) accommodates LCD/ Plasma screens up to 55" or up to max 45 kg (99lbs). The basic module, which can hold a piece of audio/video equipment up to a maximum of 10 kg (22 lbs), is designed to be mounted on the wall, but also be placed on the floor when combined with an AV module. It also can be mirrored if you want.

## Standard module

### CFM 105

The Compose™ series consists of two modules (the Basic module and the AV module), two furniture units (wall unit and floor unit), and two LCD/Plasma accessories (manual and electronic).

Except for the Basic module and the LCD / Plasma accessories, all of the products can be used alone, but you can also connect and combine two – or more – together. In this way, you can create a beautiful storage and display platform that is tailor-made for all the equipment you own.

The basic module accommodates LCD/ Plasma screens up to 55" or up to max 45 kg (99lbs). The Basic module, which can hold a piece of audio/video equipment up to a maximum of 10 kg (22 lbs), is designed to be mounted on the wall, but also be placed on the floor when combined with an AV module.
