The Compose™ floor (CFF 140) furniture expands your options even further, it can be adapted in width from 40-55" (100-140cm) to exactly match the size of your screen. Like the modules, the furniture is also suitable for all brands of audio/video equipment up to 20kg (44lbs), and screens up to 45kg (99lbs).

LCD/Plasma Floor furniture CFF 140

The Compose™ series consists of two modules (the Basic module and the AV module), two furniture units (wall unit and floor unit), and two LCD/Plasma accessories (manual and electronic).

The Compose™ floor (CFF 140) furniture expands your options even further, it can be adapted in width from 40-55" (100-140cm) to exactly match the size of your screen. Like the modules, the furniture is also suitable for all brands of audio/video equipment up to 20kg (44lbs), and screens up to 45kg (99lbs). Both the Basic and the AV module can be seamlessly integrated with this Compose™ furniture unit. Maximum choice now and in the future.

The high-quality panels are available in trendy Walnut or exotic Wengé finish. The floor unit also accommodates a Cable Inlay System (CIS®), which neatly organizes and conceals cables from view.
